

CASUAL GAMES on BBO

We are setting up a few informal and casual games on BBO.

Times: Tues 7.30 and Thursday 2:30 and Sunday at 2.30 & 7.30.

This is meant as nothing more than a suggestion of a time for players to get together, so that you feel you are playing amongst friends.

We are going to play the games in a redundant club in the casual part of the BBO site called:

POGO BRIDGE REFUGEES

To get to the club:

- 1) LOG ON to BBO
- 2) Select PLAY OR WATCH BRIDGE: Casual
- 3) Select FIND YOUR OWN GAME: All Public and Private Clubs
- 4) Scroll down the clubs to find: Pogo Bridge Refugees and click to enter
- 5) You can Start a table (bottom left) or join a table that has spaces

In theory you can turn up at any time as there maybe space to play on vacated tables.

As it is very informal, you can play for as long or short as you want, but please be polite and help everybody to enjoy the game.
