

iPad – HELP – I can't view the BMB website

I can't view the BMB website properly...

CHECK:

- 1/ Cookies are enabled
 - 2/ Your browser is not in 'Private Browsing' mode
 - 3/ You don't have too many website pages open – these all use up your device's memory and slow it down
-

HOW TO ENABLE COOKIES:

- 1/ Open up your browser
- 2/ Go to bernardmageebridge.com
- 3/ Ensure 'Cookies' are enabled – click the 'Ok' button in the black bar at the bottom of the page

If you are new to the site, please take a look at the videos below:

3/ If you are in 'Private Browsing' mode the word 'PRIVATE' will be in a block of white – press this to exit 'Private Browsing' mode

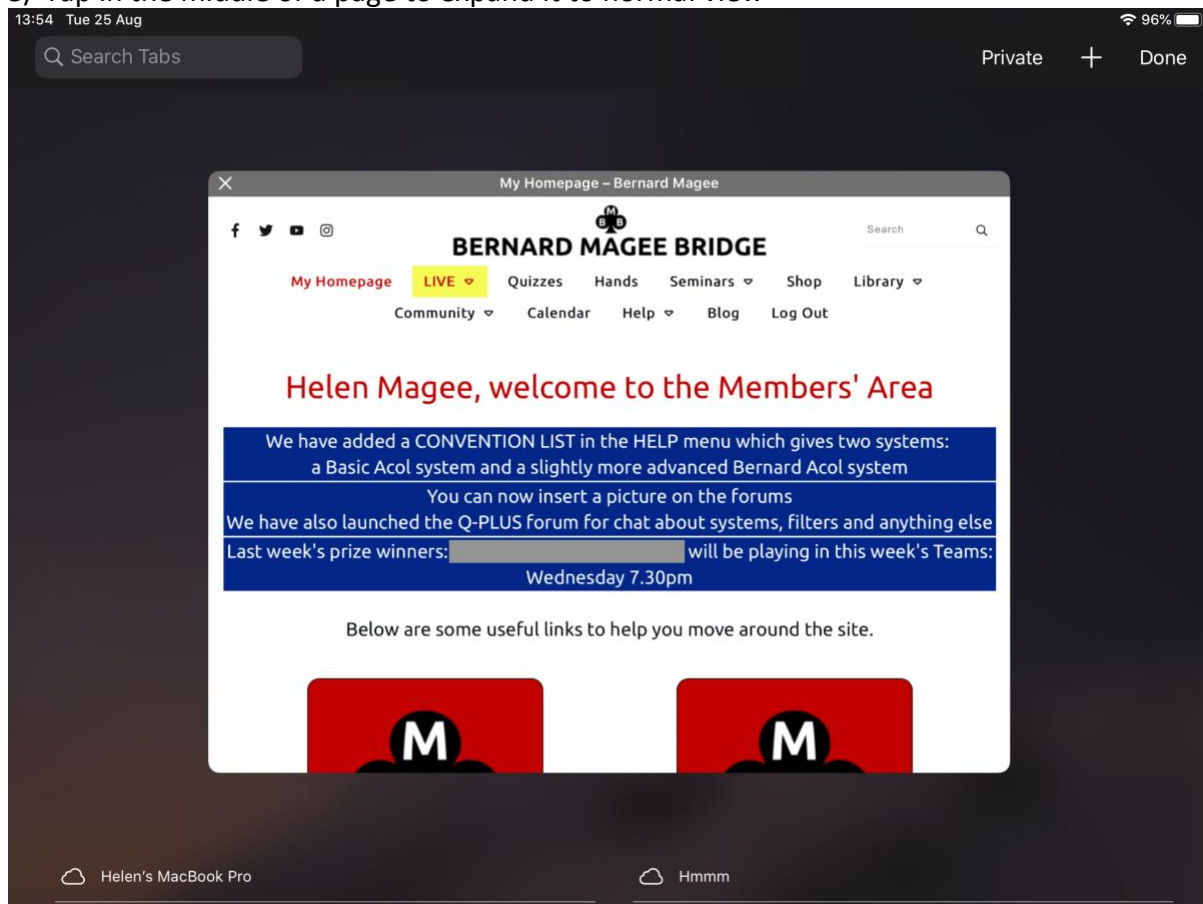

iPad – HELP – I can't view the BMB website

iPad – HELP – I can't view the BMB website

4/ Your screen will look something like this, without the white block behind 'Private'

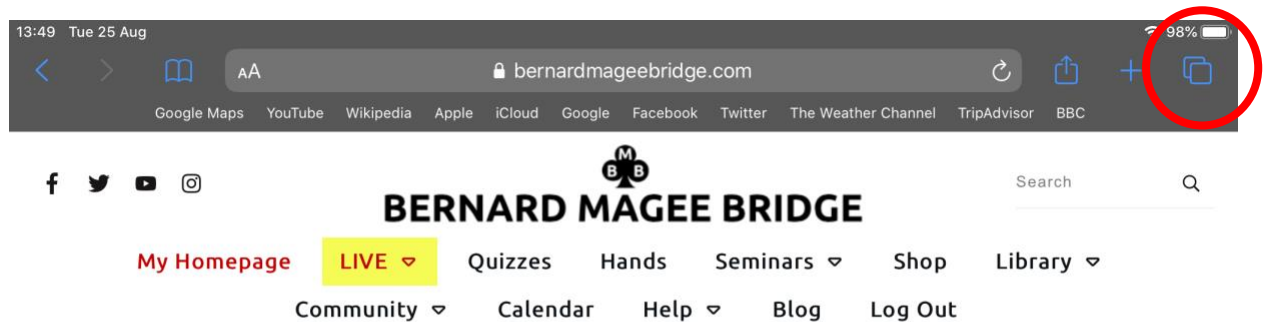

5/ Tap in the middle of a page to expand it to normal view

iPad – HELP – I can't view the BMB website

HOW TO CLOSE 'EXTRA' BROWSER PAGES

- 1/ Go to Safari browser
- 2/ Click on the double square in the top right corner

Helen Magee, welcome to the Members' Area

We have added a CONVENTION LIST in the HELP menu which gives two systems:
a Basic Acol system and a slightly more advanced Bernard Acol system

You can now insert a picture on the forums

We have also launched the Q-PLUS forum for chat about systems, filters and anything else

Last week's prize winners: [redacted] will be playing in this week's Teams:
Wednesday 7.30pm

Below are some useful links to help you move around the site.

iPad – HELP – I can't view the BMB website

- 3/ You now see multiple webpages open
- 4/ Click the 'x' on the top left of each page to close it
- 5/ This will help free up device memory
